**Inspection of the Fire Service System for
Cyberport Expansion Project**

To facilitate the statutory requirements and safety standards, Gammon Construction Co., Ltd. will be conducting inspection of the fire service system from early March to the end of July 2025, Monday to Saturday, from 9 AM to 6 PM. During this period, the fire service system within the construction site will sound intermittently. The affected areas include the Arcade, Waterfront park, hotel, and nearby residences, etc.

The rehearsal day for the test will be set for March 8, 2025 (Saturday), followed by the official testing.

Gammon Construction Co., Ltd. understands that the test may cause inconvenience to you and sincerely appreciates your understanding.

For any inquiries, please contact Ms. Mani WONG Man Ling, the public relations officer (phone: 9136 2767).

Yours faithfully,

Gammon Construction Limited
